PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

NOTICE OF NON-RESPONSIVE AMENDMENT

The reply filed on 29 September 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant has not provided a complete reply to the requirement for information under 37 CFR 1.105 set forth and attached to the previous Office action. Although Applicant has provided answers to the various interrogatories eliciting factual information as detailed on page 20 of the requirement/Office action, Applicant has not complied with the second part of the requirement detailed at the top of page 21 of the requirement/Office action, which explicitly required Applicant to provide copies of each publication which any of the applicants authored or co-authored and which describe the disclosed subject matter of the present application. Applicant does not appear to have acknowledged or provided any response to this portion of the requirement in the present response, and therefore this does not constitute a complete reply to the requirement for information, and consequently also fails to constitute a complete reply to the Office action. See MPEP §§ 704.12(b) and (c).

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
